INDEX TO VOLUME XCIII.

July 1 to December 31, 1910.

A

Accidents, The Prevention of, by John P. Coghlan.. 821
Adams, B. C., High Pressure in a Low Pressure System of Gas Distribution 148
Address of President B. O. Tippy, Michigan Gas Association 634
Address of President E. N. Wrightington, National Commercial Gas Association 1136
Address of President George H. Waring, Iowa District Gas Association 244
Address of President W. B. Cline, Pacific Coast Gas Association 677
Address of President William H. Bradley, American Gas Institute 823
Administration of Public Service Utilities, Some of the Perplexities Connected with the..... 1135
*Aldrich, Herbert W., Brick, Concrete and Steel Holder Tanks 916
*Alldays' High Pressure Blowpipe 821
American Gas Institute Bureau of Information...386, 494, 588, 925
American Gas Institute, Fifth Annual Meeting..964, 1011, 1080, 1129, 1176, 1224
American Gas Institute, Circular Letter over Membership Increase 194
*Ammonia from Nitrogen and Hydrogen, On Producing, by Frederic Egner 151
*Arches for Lights, Designs of, by "R."..... 396
Arc Lamps in Hamilton, Some Recent Installations of, by E. A. Howe 12
Armstrong Course on Gas Range Cooking, The..343, 439
Associations, Gas, Meeting Times of the Various, 21, 69, 117, 165, 219, 267, 315, 363, 411, 459, 499, 547, 595, 643, 692, 740, 788, 836, 884, 926, 987, 1055, 1103, 1151, 1199, 1247
*Automatic Safety Valve, The Swartwout..... 302

B

Balloon Gas in Water Gas Apparatus, The Manufacture of, by George H. Waring 1038
*Bearings, Concerning Machinery, by "Engineer"... 387
Bell, J. Ferguson, Carbonizing in Horizontal Retorts, Investigations with Respect to 202
Berkley, J. M., Oil Gas Manufacture, Progress in.. 684
*Blauvelt, Warren S., Washer-Cooler as a Gas Condenser, The 531
*Boiler and the Boiler Washer in and of the Gas Works, The, by "R."..... 13
Boiler Fuel Leaks, by Edward B. Myers 148
Borden, A. W., Distribution in a Small Gas Plant.. 150
Boughton, Judson H., Filling New Gasholders.... 867
Boughton, Judson H., Heating Business of Small Hotels and Rooming Houses in the South, Getting the 627
Bowlin, F. A., Education of the Colored Cook, The 350
Bradley, William H., President American Gas Institute, Address of 823
Brady, John Edson, Duties and Liabilities of Gas Companies to Public with Reference to Supply of Gas.—Validity and Effect of Regulations of Gas Companies 204, 252
Brady, John Edson, Gas Franchises and Privileges: Their Legal Characteristics and Constructions which the Courts have Placed upon them..... 51
Brady, John Edson, Injuries Resulting from Escape of Gas, Liability of Gas Companies for..493, 537, 680, 724, 781, 820, 873, 1078
Brick and Concrete Holder Tanks 1010
*Brick, Concrete and Steel Holder Tanks, by Herbert W. Aldrich 916
*Brown Radiation Pyrometer, The 1088
Buckley, M. R., Industrial Fuel Business in Small Cities 248
Bureau of Information, American Gas Institute..386, 494, 588
Bureau of Mines, Department of the Interior 157
*Burkhart, H. W., Oil Situation from a Gas Man's Viewpoint, The 778

C

*Calorific Value and of Operating Conditions from Analysis of Industrial Gases, Determinations of the, by J. M. Morehead 1129, 1176
Calorimetry, Fuel 61
*Campau, M. Wolsey, Works of Messrs. Alexander Wright & Co., Ltd., Westminster, England, A Visit to the 679
*Canadian Gas Association, Group Photograph 51
Canadian Gas Association, Third Annual Meeting... 3
*Candle Power, by H. Thurston Owens.....628, 683
Cantrell, R. J., Fire Insurance and Fire Protection as Applied to the Gas and Electric Business..... 773
*Carbonate of Ammonia from Gas House and Coke Oven Plant Liquor, The Manufacture of, by R. W. Hilgenstock 483
Carbonizing in Horizontal Retorts, Investigations with Respect to, by J. Ferguson Bell 202
Central Electric Light and Power Stations, Percentages of Increase 14
Central Station Electric Rate Factors..... 59
Central Station Illuminating Engineering Department Work and Methods Applied by the Denver Gas and Electric Company, by C. F. Oehlmann.... 868
Chamber Ovens in a Medium Sized German (Hanau) Gas Works 627
*Chandler Grids for Purifier Boxes, The 393
*Chemical Control of Oil Gas Manufacture, by E. L. Hall 725
*Clarke, R. L., Combustion of Gas Carbon or Lampblack 631
Clifford, C. R., Decoration, The Relationship of, to the Illuminating Engineering Practice 299
Cline, W. B., President Pacific Coast Gas Association, Address of 677
Coal Dust, The Explosibility of 541
*Coal, Some Troubles with the, by "Engineer." 201
*Coal Tar Creoscte, New Method for Testing.... 198
Coal, The Volatile Matter of 877
Coghlan, John P., Accidents, The Prevention of.... 821
Colored Cook, The Education of the, by F. A. Bowlin 350
*Combustible Gas, The Doherty Process of Treating. 340
*Combustion Recorders. Simmance-Abady. A Fine Working Bank of 771
Commission Control of Public Service Corporations, by F. P. Royce 195
Concrete and Brick Holder Tanks 1010
*Condensers for Small Central Stations, by Harry Pennington 441
*Constants and Variables in the Destructive Distillation of Coal, by Prof. A. H. White and B. M. Ferguson 580
Consumers' Deposits, Prepayment Meters and Methods of Securing Payment of Gas Accounts, by Richard Schaddelee 535

CORRESPONDENCE—

American Gas Construction Company, The, and the Gas Supply of Ames, Ia..... 722
Independent (?) Authorities 686
Mr. Macbeth Speaks his Thoughts..... 637
Special English Correspondence..158, 397, 589, 828, 1040, 1233
*Curved Pipes, Stringing Wires through, by "R."... 201
*Cyanogen from Coal Gas at the Astoria Works, The Extraction of, by M. E. Mueller 1082

D

Dawes, R. C., Lecture Delivered by, Sixth Annual Meeting, Iowa District Gas Association 99
Decoration, The Relationship of, to the Illuminating Engineering Practice, by C. R. Clifford 299
Depreciation: An item in the Manufacture and Sale of Gas, by Royal Shacklette 106
*Destructive Distillation of Coal, Constants and Variables in the, by Prof. A. H. White and B. M. Ferguson 580
*Disqualified Pipes and Connections, by "R." 109
Distribution in a Small Gas Plant, by A. W. Borden. 150
*Doherty Gas Calorimeter, The 1128
*Doherty Process of Treating Combustible Gas, The 340
*Duke, J. P., Graphic Analysis of Financial and Operating Reports of a Gas Company 446
Duties and Liabilities of Gas Companies to Public with Reference to Supply of Gas.—Validity and Effect of Regulations of Gas Companies, by John Edson Brady 204, 252

INDEX TO VOL. XCIII.

SPECIAL INDEX OF REPORTS OF PROCEEDINGS OF ASSOCIATIONS.

American Gas Institute—Fifth Annual Meeting.

Address of President..... 965
Address of President, Appointment of Committee on 965
Beal Medal, Report of Committee on Award of..1038, 1229
Bureau of Information..... 1037
Calorimetry, Report of the Committee on..... 965
Cast Iron Pipe Standards, Report of Committee on 1038, 1088
Consumers' Meters, Report of Committee on..... 966
Directors, Report of 964
Gas Educational Fund, Report of Trustees of..... 1037
New Members, Welcoming..... 964
Next Place of Meeting, Appointment of Committee on 965
Nominating Committee, Report of.....965, 1228
Nominating Committee, Supplemental Report of..... 1228
Officers, Election of..... 1228
Progress Department..... 1037
Public Relations Committee, Report of..... 965
Technical Committee, Report of the..... 965
Thermal Values and Candle Power, Report of Committee on..... 966

*Wrinkle Department—
